WHAT YOU NEED TO KNOW – Information about FITbiz.net Services

We hope the information below will assist you with the use of our services.

1 MANAGING YOUR SPEND

Usage notifications:

If you are a residential customer, we will help you control your spend by providing you with notifications via email when you reach 50%, 85% and 100% of your data allowance that is included in your broadband plan.

Usage notifications do not occur in real time but with a delay of 48 hours after you actually reached the respective thresholds.

Other ways of managing your spend:

There may be other ways of keeping your spend on track, choosing an internet plan without excess charges or monitoring your spend online through our website. Please contact us for more information.

Estimate your data usage:

The table below may be of assistance to gain a better understanding of how much data you are using. This may help you choose the right service and avoid unexpectedly high bills. The information below is based on averages and provides estimates only.
